Kiz Phonics - Apps for iPhone / iPad and Android Here you will find ready-to-print alphabet exercises for both teachers and parents. There are ABC writing exercises and ABC worksheets for download as well. I also created a free phonics ebook series available for download as well. The Fun Fonix series is designed for ESL students but may be useful for home schooling, pre-K through to K-2, or students struggling with phonics. There are many writing exercises available on the internet and none is better than the other. I try to provide a consistent format that is well laid out and provides optimal practice in the least amount of space. Hopefully, it is also fun. Additionally, many ELL students are older than 6 and don't need pages and pages of practice. These are pretty concise but can be used over and over again if necessary. handwriting with arrows without arrows handwriting and drawing with arrows handwriting flash cards large Create your own worksheets and games Fun Fonix is an ESL phonics series that is designed to move quickly through phonics rules and is ideal for teachers with limited time for phonics instruction but also want to provide an adequate amount of practice. The vocabulary is designed for ELL and encourages reading by quick acknowledgement of what they've read. Fun Fonix Intro: Fun Fonix Book 1: three letter words focusing on short vowel sounds I've tried more complicated images but ended up using very simple. cute images for these books. I think the students like them because they can reproduce them themselves. With more complicated images like the ones you see in other resources on this site, the students don't feel like they can draw something similar. Check Fun Fonix.com for more phonics worksheets. There are new clipart images*, worksheet makers, Fun Fonix Book 2, Fun Fonix Book 3, and more to come!
